# VOLUNTEER APPLICATION FORM

Thank you for your interest to volunteer at Bushtown Heritage Site . Whatever your interest or skills, we welcome your assistance. Volunteering is rewarding and a chance to learn about the Early Settlers history. Plus it's a great way to get involved in the community and meet new people. The Bushtown Heritage Site has significantly developed and the native forest is growing well, but requires support from volunteers to help. We can arrange for you to visit the site and discuss volunteer opportunities of interest. Have a look through the following to see where you feel your interest and skills might best suit and tick where appropriate.

Complete the form details and return to
